

# VICTORIA PARK

## Love the Park – Join the Friends

We are a group of local residents and park users who want to help develop and improve Victoria Park as for the enjoyment of everyone in the local community.

Warwick District Council have earmarked £200,000 for improvements to Leamington’s premier greenspace. We want to ensure that as many park users as possible have the opportunity to help generate ideas, and determine priorities, for, developments in the Park.

Dave Anderson, Head of Warwick District’s Council Greenspace Team , jhas confirmed that “Warwick District Council wish to work closely with residents and parks users in developing, managing and maintaining Victoria Park and we feel the best way to achieve this is to work with a representative community group such as a Friends of Victoria Park” .
