

General Data Protection Regulation (GDPR) Privacy Notice

On 25th May 2018 the GDPR, a European Union (EU) privacy law, became enforceable. The regulation strengthens EU citizens' privacy rights.

Friends of Victoria Park collected your name, address, email address and phone number when you joined our not-for-profit community group. This data is held securely by our Membership Secretary and on a private computer and is only used to send you information relating to Victoria Park and FoVP's work. We do not share your data with any other individual or organisation outside FoVP's Executive Committee and no one else has access to your personal information.

We will amend or erase your personal data on request – just email contact@friendsofvictoriapark.co.uk
